

RURAL BUS STOPS 2023-2024

The bus stops listed are to be used as a guide to the roads the buses currently run and the scheduled times. Bus riders should arrive at the bus stop ten **minutes** before the scheduled departure time; **the bus driver is not to wait and will proceed on a timely route if the student is not in sight. Since most Rural Bus Stops are door to door, parents must call the bus garage to schedule transportation. Students are to have 1 bus stop location for the entire week for AM and PM. If a different location is needed, the parent or guardian is responsible for transport.**

Animals, insects, weapons, glass objects, or any other material that could cause a potential hazard will not be allowed on the school bus. If food is to be transported, it must be in a lunch box, bag or a sealed container. All objects must be small enough to be held in the child's lap or between their legs. **Routes and times are subject to change.**

Parents of Little Learner, Early Childhood, and Special Education busing students should receive a phone call within a couple days of the start of school regarding approximate pickup and drop off times.
